Kentucky Frontier Gas agrees to provide gas in compliance with federal, state, local authority and the approved KFG tariff. In return you agree to comply with the same. You will receive a monthly bill on or about the same date each month. If the bill is not paid in full by the "due date" (15th / 30th) noted on the bill; there will be a 10% penalty added to the amount due. Any account past due will be disconnected. Unpaid bills can and will result in additional late payment fees and / or disconnection of service. If your service is disconnected for non-payment; the entire amount of the account must be paid in full along with a new deposit and reconnect fee before the account is reconnected. Any account that falls into default collections (unpaid amount 60 days past disconnect date) will be sent to collections. If the account has been sent to collections, the customer will be responsible for all related collection / court / lawyer fees.
